 LinkedIn  080-972-9171  preeyapron.wbs@gmail.com  mintpw.dev

Skills

JavaScript, TypeScript, React, React Native, Redux, Context API, REST, ESLint, Websocket, Git, i18n, Axios, Zod, Yup, Vite, Jest, Unit Testing, ES6, HTML5, CSS, Figma, Tailwind CSS, Ant Design, Material-UI, Shadcn

Experience

Senior Software Engineer Bitkub Online Co., Ltd. Feb 2024 – Aug 2024

- Led and mentored a team of junior developers, significantly enhancing code quality and fostering best practices in frontend development and code reviews.
- Leveraged modern technologies to enhance KYC processes, ensuring robust and secure systems for user verification in the evolving crypto landscape.
- Designed and developed scalable, maintainable, and high-performance frontend systems using Next.js, React, and TypeScript, delivering an optimal user experience.
- Researched and integrated cutting-edge frontend technologies, facilitating knowledge sharing sessions that bolstered team performance and expertise.
- Actively collaborated with cross-functional teams during event storming sessions, aligning development efforts with overarching business goals and improving project outcomes.

Frontend Developer CODEMONDAY Co., Ltd. Sep 2022 – Dec 2023

- Led frontend development for multiple enterprise web applications using React, TypeScript, and Next.js.
- Enhanced project architecture with tools like ESLint, form management (Yup, react-hook-form), and state management (Redux, Context API).
- Provided mentorship to junior developers and interns, promoting continuous skill development.
- Oversaw product development from system requirements gathering to testing and deployment.

Frontend Developer CARIVA (Thailand) via CODEMONDAY Co., Ltd. Oct 2022 – Aug 2023

- Initiated and developed an efficient Content Management System (CMS) for hospitals utilizing Next.js, Monorepo, Ant Design, and Material-UI.
- Ensured high code quality and reliability through comprehensive Jest unit testing and regular code reviews.
- Improved client engagement through integration of Line Official Account (OA) and LIFF, facilitating enhanced communication and support.
- Successfully managed project phases, including requirements gathering and system design

Frontend Developer Plawarn Development And Innovation Co., Ltd. Jun 2020 – Aug 2022

Web Development

- Developed projects for a startup, focusing on web development and collaborating with backend developers to implement RESTful APIs for seamless data interaction.
- Utilized UI frameworks like Chakra UI and Ant Design to enhance aesthetics and functionality.

Mobile Development

- Designed mobile applications for Android and iOS using React Native and Expo, transferring web functionalities such as chat and maps.
- Employed UI frameworks like Native Base and RNUI Lib for intuitive mobile interfaces.

Software Tester Inisis Company Limited Aug 2018 – Aug 2019

- Contributing to software quality through test scenario formulation.
- Resolving database consistency issues.
- Effective client communication to understand product requirements.

Education

Bachelor of Mathematics and Computer Science
King Mongkut's University of Technology North Bangkok
